

Hi Ice Swimmers/Families,

With the new swimming season starting next month it is a good time to send a few reminders about entries for carnivals. It has come to the attention of the committee that many entries are late and last minute changes keep being made. This has made the job of our Race Secretary particularly complicated at times so if we can all ensure entries are on time that would be much appreciated.

All information on Upcoming carnivals can be found:

On the icebreaker noticeboard poolside

Icebreaker website www.icebreakeraquatics.co.nz

Manawatu Swimming website www.manswim.org.nz

Close off dates for entries

This will always be displayed on the flyer on the noticeboard.

Please note that our Club cut-off date for all entries is normally up to 1 week prior to those dates on the swimming manawatu website and flyers. This gives the Race Secretary time to collate, input and send entries off to meet Carnival deadlines. Please check you have the correct date as late entries will not be accepted after our Club closing date now.

National events

It was decided by committee that in order to avoid confusion chasing up National entries with coaches and swimmers that all swimmers that who have qualified for any national events must please notify the Race Secretary if they are not planning to attend a National meet. We also ask that parents/swimmers check the close-off dates for these events and make sure all entries are in on time. Thank you.

Submitting Entries

All carnival entries are now to be submitted by email only at the following email address:

Race Secretary racing@icebreakeraquatics.co.nz

Payment for Carnival Entries

These must be paid for when submitting entries by :

Internet banking (preferable) - **Icebreaker Aquatics 03 0726 0534503 00** (please put swimmers name as reference)

cheque/cash put in an envelope and put in the locked box in store room.

Thank you

Lisa Leader

Icebreaker Secretary
